YOUR OPPORTUNITIES AND RESPONSIBILITIES

In a country such as ours, where we are blessed with over-abundance yet a continual threat of complete annihilation hangs over our daily lives, it is difficult to always gain a clear perspective of our lives and the society that surrounds us.

You may sometimes forget that you are given the opportunity to live in a free country where you have the right to direct your own life along paths which you have chosen. That you live in a glorious age of our country's history when we can use the treasures of the past in attacking the problems of the future.

Youth of today have inherited a great system of government of the people, by the people, and for the people, with an accumulation of laws and regulations for the protection of all. With this gift they inherit the RESPONSIBILITY to preserve it.

Youth of today have been left a country full of natural resources so rich that only the imagination can harvest them. With this gift comes the RESPONSIBILITY for their wise use.

Youth of today have inherited great churches and synagogues and a freedom of choice in their use. They also receive the RESPONSIBILITY to guard our priceless moral and spiritual values.

Youth of today have been provided with great hospitals, health agencies, and vast volumes of knowledge. With them they receive the RESPONSIBILITY to staff them.

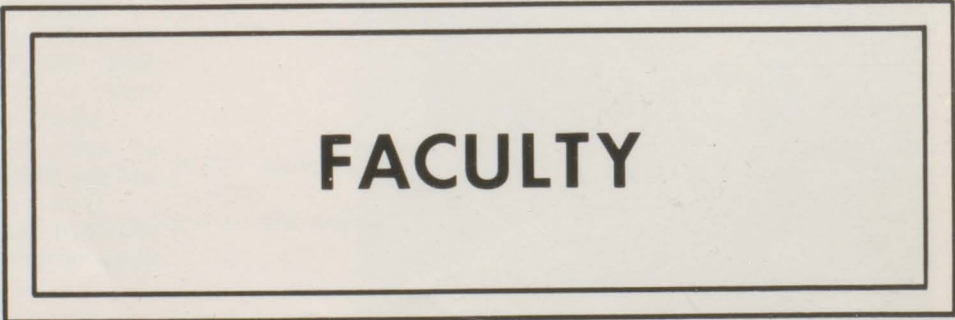

Youth of today have inherited great schools, libraries, and the wisdom of the ages and with them the RESPONSIBILITY to see that they are used.

Youth of today have been left the means of war which would destroy all of the earth and the RESPONSIBILITY to avoid its use.

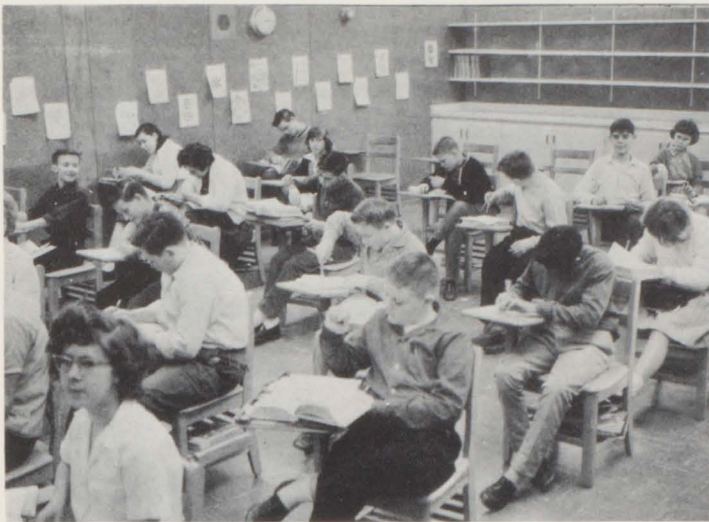

Capac Community High School has been provided for the youth of Capac to help you meet these responsibilities.

LIBRARY CLUB

The members this year are; Janet Siegel, Beth Smith, Gretchen Ploeger, Sally Miller, Virginia Schoenberg, Judy Schmidt, Bernice Tszinski, Marilyn Brown, Diane Foley, Jane Clarkson, Kathy Heaton, Roberta Barnard, Michele McKeeman, Noreen Clark, Barbara Schifflbine.

Being a student librarian, to many students is easy, but there are many things we do behind the scene. We check incoming and outgoing books; we process all new books, which includes: typing cards for the card catalogue, stamping, collating, and covering the books. The librarians also repair the used, worn books.

When Christmas comes each year, the library is decorated accordingly. This year it was decorated most attractively with abstract scenes and paintings.

The greatest advantage of being a librarian in high school comes to light when these students attend college. They will know how to get any information in the huge complicated university libraries. As a result, studies would undoubtedly be improved.

COOKS: Marguerite Campbell, Helen Nowak

Four people who have done much for the health and welfare of our student body are the two cooks and the two custodians of our high school. Much can be said about the wonderful, wholesome and nourishing meals that Mrs. Campbell, and Mrs. Nowak have prepared. Mr. Collins and Mr. Stahlbuck are ever conscious of the fact that we have a new school and try to keep it one that we can all be proud of.

CUSTODIANS: Dave Collins, Herman Stahlbuck

"Originality--effort--variety" seems to be the code for the class of 1963. Good ideas teamed with hard work has resulted in a class justly proud of their high school years.

Every class has two important ingredients, the first of which is its members. A class can accomplish only if its members do. Honor rolls, club rosters, sports teams, cheerleading squads, achievement awards, service lists, etc. have long been membered and headed by the class of 1963. However, individuality will harm rather than help if a class does not have the second of the basic concepts--co-operation. As a group, this class has given to such annual affairs as homecomings, dances, and carnivals. By combining both these ingredients, the greatest is accomplished: the junior prom and junior play, both of last year, and their biggest project this year, the Christmas Ball. By combining these two concepts, this class has made their high school years a successful chapter in the book of their life.

From This Kindergarten A Mighty Class Did Rise.

GRACE (IRELAND) and GUNNAR (SWEDEN)

We find it hard to express just how we feel about being Exchange Students in Capac High for the year 1962-1963. So many wonderful things have happened to us since we came here in August that we feel sure we will never forget the experience of being Exchange Students.

We have been impressed by many of the American ways and customs. For example, Thanksgiving and Homecoming were new to us. The informality of school life here is quite a contrast to the school life in our own countries, and we think it is unusual to see so many teenagers driving cars. We just love the colored television; but were surprised to see so many commercials being shown during the programs. At the same time, we have memories of some "unforgettable" moments, such as the first sight of an American football player, and our first participation in cheering for the Capac Chiefs in our Capac sweat-shirts, and our first bite of appetizing pizza or corn-on-the-cob.

Yes, there are things which will remain in our memory for a long time, but the most important impression will remain with us right through our entire lives. And that is the impression of friendliness and hospitableness of the American people. We find it hard to believe that this time a year ago, we scarcely knew where to look for Capac on a map. But now it is our second home, and we can never really express how grateful we are for the kindness of the people of Capac to us, and for the fact that we have been placed in homes where we have been so well accepted as members of the family.

We are proud of Capac, and we are happy that we attended such a good school as Capac High. We cannot help but notice the abounding school spirit which exists, and through working beside you, the students, we have realized that it is easy for the people of the world to live in peace, and our only hope as we leave your wonderful country is that, in some small way, we will have helped to promote better understanding between the countries of the world.

MERRY CHRISTMAS

These briefcases, Christmas gifts for our exchange students, were presented to them at our Christmas assembly by the student body.

The class of '64 has had a busy '63. We presented the Junior Play, THE DEATH AND LIFE OF LARRY BENSON, sponsored a car wash, had several fun nights and built a Home-coming float. Now the members of the class are busy planning the Junior Prom.

The Juniors have had the honor of having one of their class members elected as Vice-President of the Student Council. One of our class members also holds the title of Christmas Ball Queen.

We have enjoyed a good year with only a few troubles and are looking forward to an even better "last year" as Seniors.

The first important event in our freshman year was the election of class officers.

Initiation day was a day to remember with lemon juice and lipstick smears. Then came the Initiation dance sponsored by the sophomores in our honor.

Members of our class contributed both as spectators and players in all the major sports events. We also participated in our annual Homecoming celebration by building a float for the Homecoming parade. Our class sponsored booths in the annual Spring Carnival and participated in the school magazine sale for the support of our foreign exchange student program. This spring our class had an Appreciation dance for the sophomores.

Our class parties have also contributed to the fun and enjoyment of our freshman year.

SEVENTH GRADE

Officers and Advisors

Advisors	Mrs. Bacon, Mrs. Ray
President	Jimmy Dodd
Vice-President	Carol Hawks
Secretary	Juliann Markwart
Treasurer	Alice Perez

When school opened last September ninety-four seventh graders came to Capac High School. In this group there are three sections consisting of forty-one girls and fifty-three boys. Everything was very strange to these newcomers but because of many considerate people they soon had a better understanding of how to operate in the Capac High School. During the latter part of the first semester two more people enrolled; Sandra Gribowskas and Raymond Richardson.

The following class officers were elected: Jim Dodd, President; Carol Hawks, Vice President; Alice Perez, Treasurer; Juliann Markwart, Secretary. Section officers are: Section 1. Alan Hall, Alice Perez, Larry Powers. Section 2. Linda Wojtysiak, Jim Dodd, Dennis Stern. Section 3. Carol Hawks, Julie Ann Markwart, Mary Wallace. Student Council Representative: Mary Wallace, Dennis Stern, Alan Hall. Sponsors: Mrs. Bacon, Mrs. Ray.

The first activity of the seventh grade was the magazine sale. All together they collected a little more than \$7.00 per person for a total of \$676.72. The high salesmen were Carol Hawks and Kathy Adamski.

There were 42 people that sold their quota in the seventh grade.

For the second activity, the seventh grade constructed a float, a miniature football field, to carry out the theme "Together as a Team." Although they didn't win a prize, they enjoyed making the float.

The seventh grade had a Fun Night in the fall and will have one in the spring. Section three was honored because they sold the most magazines in the seventh grade. Mr. Smith was the person that took charge of the students that played in the gym. Mrs. Bacon and Mrs. Ray were our sponsors. Sections one and two provided the food. Parents came to help chaperon the party.

The seventh grade has decided to participate in the Spring Carnival. They are planning to have a cake walk and the money earned will go to the Foreign Exchange Student Program.

The seventh grade basketball team includes 19 boys. The starting team was Randy Lewis, Brian Lewis, David Hulett, Cliff Lietz, Joe Walker, Jim Dodd, and Louis Aguinaga. During the 1962-1963 season, the team won two games and lost seven.

Out of the seventh grade girls trying out for cheerleading, these three girls were chosen: Carol Hawks, Sandra Barnard, and Carman Nemecek. They were instructed by Miss Margaret Grucza. They cheer at all the Jr. High Basketball games, both at home and away.

There are twenty-four seventh graders in the Jr. Band. They have participated in the Christmas concert, The Mid-Winter concert, the Spring Festival, the Solos and Ensembles.

Some members of our class are in the Pep Club. They have worked hard writing skits and poems to read over the public address system. These people are Joan Essenburg, Secretary; Bob Ballor, Treasurer; Karen Henderson, Regina Shaver, Kathy Adamski, Linda Wojtysiak, Theresa Racine, and Linda Zells.

The seventh grade curriculum includes the following subjects: geography, math, history, English, and physical education for some students and band for others.

A new club formed by 18 7th grade girls is called the Wee Janitors. The purpose of the club is to promote neatness in the cafeteria area. The officers of our club are: Linda Wojtysiak, President; Debbie McNamara, Vice-President; Sandra Barnard, Secretary; Sandra Cornell. Treasurer.

The class of 1968 had an interesting and active year in 1962-63.

STUDENT COUNCIL

The Student Council is an organization composed of various members of different classes representing the whole student body and organizations.

They have had several important projects this year. Among these are the homecoming, magazine drive, and assembly program. The money which was received from the magazine sale was used to purchase a section of bleachers for the football field. One of our biggest projects, however, has been participating with the other schools in our league to form a League Student Council. The purpose of this is promoting better relations among schools through discussion of mutual problems and the inter-change of ideas and activities.

They are also planning a spring carnival to help sponsor two exchange students as we have done in the past.

MAJORETTES

The Majorettes this year from left to right are: Sharon Ferrett, Margie Welch, Emogene Zochowski, Ann Mosher, Drum Majorette.

FUTURE NURSES CLUB

This year in our Future Nurses Club, we have had a very profitable year. Our membership has grown tremendously in comparison with previous years. Our officers are as follows: President, Kathy Mills; Vice-President, Sharon Ferrett; Secretary, Anna Cronmiller; Reporter and Historian, Ann Mosher; Student Council Representative, Sandra Steaben. Our advisors are Mrs. O. B. Kahn, R.N. and Mrs. Carl Lang, R.N.

We have taken a trip to Grace Hospital and the School of Nursing in Detroit and have plans for another such trip. We have had demonstrations of making a hospital bed, bathing a bed patient, temperature reading, nursing procedures and first aid.

We are also having several speakers such as Mr. Barnard with the resuscitator, a speaker from Port Huron Hospital School of Nursing, and Miss McCullough, R.N., Mrs. Alice Smith, R.N., and Miss Claire Austen from the Family Service Agency.

We are required to work at Yale Community Hospital twenty-four hours as part of our membership requirements. Here we receive on-the-spot training. We also work at the Port Huron Health Clinic and at different clinics that come to the community. We shall end the year with our annual pin ceremony and tea with our parents.

SEATED: Mr. Clark, sponsor; Janet Siegel, Ray Perez, Ken Kobayashi, Ann Wittstock, Jane Clarkson, Mrs. Clarkson, sponsor.

Membership in the National Honor Society is considered one of the highest honors that this school can confer. To become a member, a student must rate high in scholarship, character, leadership, and service. The students pictured here have fulfilled and maintained these qualifications.

The Capac Chapter of the National Honor Society is primarily a service club but also partakes in other activities. This year the members assisted in the taking of tickets at all home football and basketball games, sent toys to the Lapeer State Home for Christmas, went with the Future Teachers Club to Central Michigan University, sold mums during the Homecoming Celebrations, and entered a float in the Homecoming parade. Early in the fall, we had a welcoming party for the new foreign exchange students, Grace Hassard and Gunnar Nordberg at the home of Jane Clarkson; and during Christmas vacation our Christmas party was held at the home of John Staniloiu.

Each year around the first part of March the regular members present a formal ceremony for the induction of new members. At this time other qualified students are given the honor of becoming a member of the National Honor Society.

THE PEPPER UPPERS

The Pepper Uppers came into existence this year as a result of the feeling of many students that school spirit needed boosting.

Presently the club consists of 29 members in grades 7-12 but we are always eager to welcome anyone else who wants to help boost school spirit and retain good spectator sportsmanship.

We come to as many games as possible, learn cheers, make announcements and posters to publicize the games, and initiated the singing of the Alma Mater at half time. In the future we hope to have a card section.

JUNIOR PLAY

The class of 1964 presented the three act drama entitled THE DEATH AND LIFE OF LARRY BENSON, on November 15 and 16. The cast of thirteen, the directors, and the members of the class helped make this play a successful one.

The play was about a homeless boy and a sonless family. The arena style of presentation was used and proved to be quite effective. Considerable time and hard work went into this play, and the results were satisfactory.

JUNIOR AND SENIOR BAND

The Capac Junior and Senior Bands under the direction of James Honsinger, for the fifth year, had another full year of events. The summer was spent preparing for several parades. Some of the parades we were to appear in could not be attended because of lack of interest and insufficient personnel.

We tried to have a marching band in the fall but due to several drop outs and the fact that Marching Band is a voluntary group several of our better musicians chose not to march. Another factor was the wet weather that kept us inside most of the fall. The band did appear at home football games and played from the stands.

When concert season started in November we divided our bands differently. The Senior band was composed of band students from grades ten thru twelve, and numbered 28. If it were not for so many drop outs, our Senior band would have numbered 45. The Junior band was composed of band students from grades seven thru nine. It numbered 56. The ninth grade added a lot to our Junior band and made it more successful.

This year Capac was not represented in the district III M.S.B.O.A. clinic band because no students were interested in attending.

The Christmas concert was presented in December with both bands participating.

This year Capac was represented at the Senior High Solo and Ensemble festival by Ann Abraham and Vicky Mizdrak who played a clarinet duet and received a division I rating. Jane Worden and Emogene Zochowski played a wood wind duet accompanied at the piano by Janice Honsinger and received a division III rating.

Several students from the Junior Band represented Capac at the Junior High Solo and Ensemble festival in April.

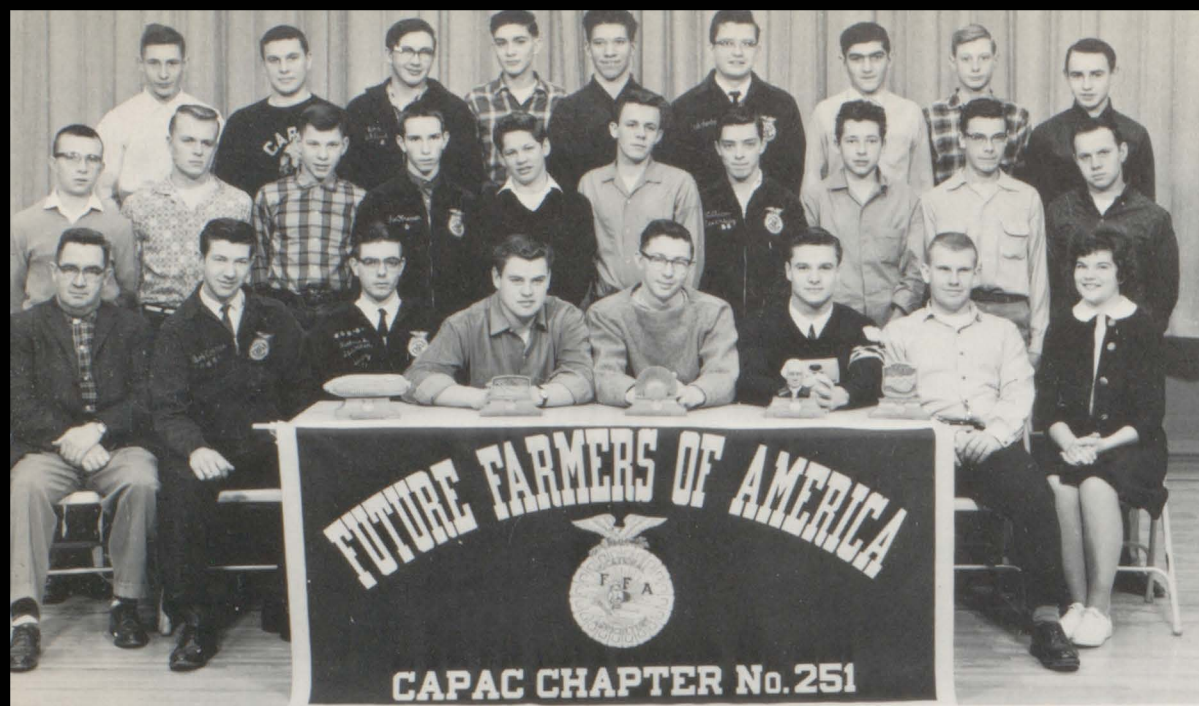

Our winter concert was played February 28, with both bands participating.

Both bands entered the district III M.S.B.O.A. band festival. The Senior band participated in the Blue Water Band Festival.

Concert season closed with the Annual spring concert and the last event for the year was the traditional Memorial Day parade in which both bands participated.

FUTURE FARMERS ANNUAL REPORT

During the 62-63 school year the Capac Chapter of the F.F.A. has been active in various activities. The Chapter performed a community service by parking cars at football games. The Chapter is now establishing a city park for the village of Capac.

We used our classroom know-how to work plots adjoining school property seeking better results through better means, and using different corn hybrids and varieties.

For the first time in years the Chapter had a plowing and maneuvering contest, which was held at the Harlan Ryder farm. Also for the first time in years the Chapter participated in farm forum, parliamentary procedure, and public speaking contests.

Members of the Chapter have entered the Big Acre Contest where members try for higher yields through better practices. A banquet was offered for the winners of the contest at the Bancroft Hotel in Saginaw. Chapter members also participated in the Dekalb Contest and an Awards Banquet was offered to the winners. This was held at Frankenmuth.

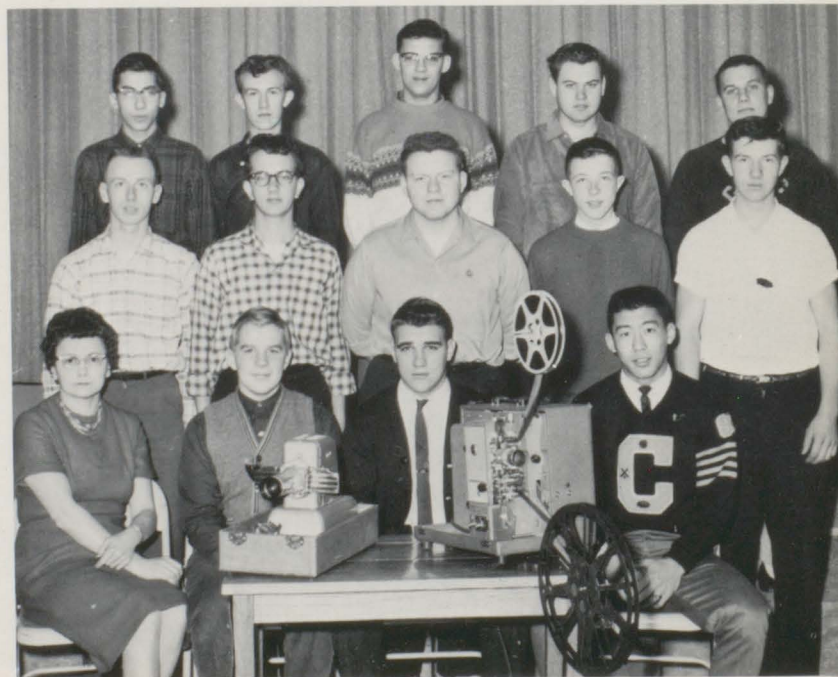

Also for the first time in years the Chapter elected a girl representative according to her agricultural background. Carol Wojtysiak is our present Chapter Sweetheart.

On February 21, we had our Annual Awards Banquet, held in Capac High School, with the F.F.A. members serving us. On February 27, co-operators of the Funk's Weigh and Compare Program attended a banquet in Lexington, sponsored by Funk's Seed Company.

Craig Henderson represented the Capac Chapter at the National Convention held annually in Kansas City. Pat Spencer and Bob Conrad represented the Chapter at the State convention, March 19 through 21, held in East Lansing. We also attended a Bridle Show and a day of Farmer's Week at M.S.U. The Chapter also attended the Saginaw Fair to take in some of the educational exhibits. March 1 and 2, the officers attended Regional Leadership Training Camp, annually held at Lakeport.

FUTURE HOMEMAKERS OF AMERICA

The fall season saw the F.H.A. electing and installing officers and initiating the new members. Before the semester had ended, we had participated in the Homecoming festivities, attended the showing of "The Wonderful World of the Brothers Grimm" at Cinerama, and, in the spirit of Christmas, joined the F.F.A. in caroling. We also sent delegates to the Regional meeting at St. Clair. The February meeting was spent serving the F.F.A. Banquet. Also, during February we participated in an assembly for the purpose of informing the student body of the opportunities and purposes of the various school clubs.

At our April meeting we made favors for the children at the Lapeer Home for Easter. To promote a better community-club relationship, we held several special meetings (the public invited) with Mrs. Ruth Bacon and the foreign exchange students, Grace Hassard and Gunnar Nordberg, as guest speakers. We ended the year with our annual Spring Banquet for the mothers and officers.

FUTURE TEACHERS CLUB

The Capac chapter of the Future Teachers Club of America officially began on November 4, 1960. As a money raising project the Future Teachers sold sweatshirts. The money raised will be used in a scholarship fund and to pay expenses for delegates to the Michigan Future Teachers Convention. Last spring John Staniloju was elected Secretary-Treasurer of the Michigan Future Teachers Association. This was quite an honor for a member of a club which had been in existence for only two years.

The purpose of the Future Teachers Club is mainly to give information about the teaching profession, its opportunities, responsibilities, training, salaries, and rewards. It is to help our Future citizens on their chosen career in life.

FAREWELL PARTY AT CHUCKWAGON

MR. SEELEY

Farewells are such hard things to say - In appreciation of all that you have done for us during your eleven years in our school and especially your guidance and encouragement as our principal and superintendent, we wish to dedicate this our 1963 Capacian to you. May the best of luck be with you forever.

Cheerleaders

The Cheerleaders consist of three groups with six girls on each squad: The Junior High Squad made up of seventh and eighth grades, the Junior Varsity and Varsity squads composed of High School students.

The Cheerleaders are selected at a tryout, the Varsity being chosen in the spring, and the other squads in the fall. Practices are held three times a week, two on week nights and one in the morning. It's required that a Cheerleader attend two practices or forfeit a game.

This year two girls from the Varsity were sent to Camp All-American during the summer. They learned new cheers, chants, and new ideas in cheerleading. We have put on five dances, and, as a result, were able to purchase varsity sweaters. The Varsity served as hostesses at Dad's Night. We elected a Student Council Representative and a treasurer.

Baseball

Behind the pitching of Dan Petz and Darrell Withun the Chiefs compiled a 10-4 record and second place in the league. The four losses were by a total of five runs. Opposing batters found the Chief pitchers tough to hit. Dan Petz hurled a no-hitter against Marysville and combined with Darrell Withun for a no-hitter against Almont. Darrell threw two one-hitters while Dan had three two-hitters. Dan set four records this year: most strikeouts (105), lowest ERA (.25), most wins (8), consecutive scoreless innings (44) and finished his high school career with a 24-3 record.

Ken Kobayashi lead the team in hitting with an average of .465 hits (20), stolen bases (23), RBI (9), and home runs (2). Dan Petz led the team in doubles (7) and was second in batting average (.356) and stolen bases (14).

This was the final season for nine seniors and Coach Smith. During their four years these seniors compiled a 45-9 overall record. This includes a 25-3 league record with a 24 game winning streak and three league championships.

GIRLS' VARSITY BASKETBALL

"Never underestimate the power of a woman" can well be the motto of the girls at Capac. They seemed to have made up their minds that they weren't going to be outdone when they came out for basketball this year. And the best thing about it-----it worked! Only one extremely close defeat kept these girls from a perfect season. They can still hold their heads high and boast of the first championship in nine years.

The attributing factors: work and spirit. With only three seniors graduating from the varsity team, the girls have every intention of using the same ingredients next year to form another championship basketball team.

The team, standing from left to right, is Karen Frantz, Ann Abraham, Judith Hall, Beth Smith, Mrs. Gilbert, coach; Nancy Rhody, Elizabeth Dawe, Emogene Zochowski, Margaret Ogden, and Karen Essenburg. Kneeling, Kathy Heaton, manager; Jane Clarkson, Marian Porter, Judy Merritt, Jane Worden, Jeanne Dodd, Vicki Mizdrak, and Barbara Gottschalk, manager.

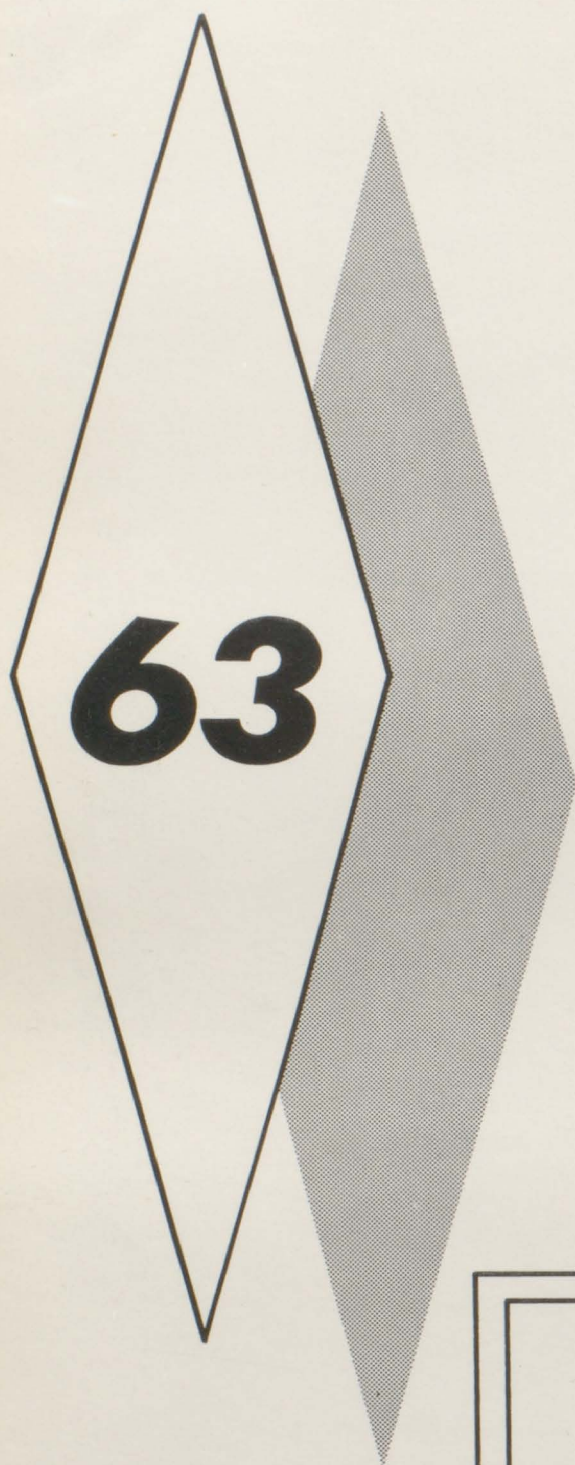

GIRLS' JUNIOR VARSITY BASKETBALL

Capac has many good reasons to be proud of its Girls' Junior Varsity Basketball team. Our team scored five victories and was defeated only twice. One of these defeats came with a thrilling one point margin.

Our team was composed entirely of freshmen and we are all looking forward to many victories in the years ahead.

The team, standing from left to right, is Barbara Gottschalk, manager; Patricia Bussell, Lynn Schuneman, Marilyn Brown, Mrs. Gilbert, coach; Diana Hill, Sandra Steaben, Kathy Heaton, manager. Kneeling, Mary Ruth Abraham, Carol Smith, Barbara Ingraham, Ruth London, Patricia Zells, Kathy Meikle.
